

# PRO MEDICAL FREEDOM

## **BE ADVISED**

IF YOU ARE EXPERIENCING WHAT IS REFERRED TO AS “COVID-19” SYMPTOMS (*SHORTNESS OF BREATH, FEVER, LOSS OF TASTE/SMELL/BODY ACHES*) PLEASE REACH OUT TO US BEFORE YOU GO TO THE HOSPITAL AND CONTACT US AT THE EARLIEST SIGN OF ANY SYMPTOMS!

WE OPERATE AT A 100% RECOVERY RATE! THE HOSPITALS ARE OPERATING AT A 98% DEATH RATE!

INTUBATION, IMV (INVASIVE MECHANICAL VENTILATION) AND REMDESIVIR ARE BEING USED TO “NEUTRALIZE” PATIENTS AT A VERY HIGH ALARMING RATE.

ACCORDING TO A STUDY BY THE JOURNAL OF CLINICAL ANESTHESIA PUBLISHED ON SEPTEMBER 7<sup>TH</sup>, 2020:

*“MORE THAN 70% OF THE CRITICALLY ILL COVID-19 PATIENTS RECEIVED INTUBATION AND INVASIVE MECHANICAL VENTILATION (IMV) SUPPORT. MEDICAL PROFESSIONALS THROUGHOUT THE WORLD AGREE THAT INTUBATION SAVES LIVES. HOWEVER, THERE IS NO DIRECT EVIDENCE ATTESTING TO THE BENEFIT OF INTUBATION AND IMV IN CRITICALLY ILL COVID-19 PATIENTS. ON THE CONTRARY, A REPORT REVEALED THAT 32 COVID-19 PATIENTS WHO RECEIVED INTUBATION AND IMV SUPPORT, 31 (97%) DIED.”*

A VENTILATOR IS RARELY REQUIRED AND CERTAINLY NOT REQUIRED AS FREQUENTLY AS HOSPITALS USE THEM.

OXYGEN IS NEEDED AND THE RIGHT MEDICATIONS AND SUPPLEMENTS ARE IMPERATIVE! PRO MEDICAL FREEDOM CAN PROVIDE YOU OXYGEN AND THE TREATMENTS THAT YOU NEED.

PRO MEDICAL FREEDOM’S PROTOCOL IS TO UTILIZE WHAT HEALS! WE PROVIDE LIFE-SAVING OXYGEN, WE TREAT WITH IVERMECTIN, HYDROXYCHLOROQUINE, AND A VARIANCE OF HOLISTIC SUPPLEMENTS THAT RESTORE IMMUNE SYSTEM FUNCTION TO ITS PEAK LEVEL.

THE MORE PEOPLE THAT WE ARE CALLED TO TREAT, THE GREATER THE NEED THERE IS FOR EQUIPMENT, MEDICATIONS, SUPPLEMENTS AND SUPPLIES.

PLEASE VISIT OUR DONATION LINK AND SUPPORT OUR MOVEMENT IN SAVING LIVES TODAY:
